Welcome to Casa A.LC!

The aim of Casa A.LC (A.LC House) is to be a haven for each and every person who crosses its threshold. A place they can feel loved and supported where they can receive comfort, peace and compassion. A place where they can rest during their treatments. A home from home.

Casa A.LC is able to accommodate a maximum of 6 guests at a time. To ensure that all our facilities are kept hygienic and that each person being accommodated is supported, respected and able to rest well during their stay, there are a few house rules that must be followed by all guests. *(Please note that if these rules are not adhered to, the person/s concerned will be asked to leave the house immediately.)*

Please note that personal hygiene and the hygiene of the facilities in the communal areas (bathrooms, kitchen, cutlery and crockery, etc) is of UTMOST importance at Casa A.LC.

- Wash your hands with soap and water after using the toilet or when coming in to Casa A.LC.
- Wash cutlery, crockery and anything you use in the kitchen with hot water and dishwashing liquid.
- Please ONLY wear HOUSE SLIPPERS inside Casa A.LC. These can be found in the front terrace. When entering the house, please put OUTSIDE SHOES in the shoe cupboard. Likewise, when you go out into the garden or onto the terrace, please use GARDEN SLIPPERS. DO NOT enter the house with outside shoes or garden slippers.
- All food is to be kept in the kitchen (fridge or cupboards). DO NOT store any food or juice in any of the bedrooms or in the dining room. Only water is permitted in bedrooms.
- Casa A.LC is a NON-SMOKING ZONE. Smoking is strictly forbidden in the bedrooms or anywhere inside the house.
- NO alcohol or drugs are permitted anywhere in the house or garden.
- If you feel unwell and suspect you may have contracted something contagious (chicken pox, rubella, flu, covid, etc.) NOTIFY HOUSE STAFF IMMEDIATELY.
- Clean up after yourself. Guests are responsible for tidying up after using the kitchen/bathroom. Please ensure that they are left clean and tidy.
- Please let house staff know if you are able to help with any chores - such as cleaning of communal areas, vacuuming, mopping, mowing the lawn, raking leaves, shoveling snow in winter or any other housework needed.
- Each guest is responsible for looking after the facilities and property of Casa A.LC. In the unlikely event that house items are misplaced or property is broken or damaged, guests will be held liable to cover the cost of the loss or damage.

- DO NOT leave children unattended. Children under 18 must have adult supervision at all times.
- After 22.00, guests are asked to be quiet and keep all noise to a minimum.
- Before going to bed, check ALL doors are closed and locked.
- A washing machine is available at Casa A.LC. Please speak to admin if you would like to use it.
- Remove clothes from the washing machine as soon as the washing cycle is finished so it is free for others to use.
- A clothes dryer is available on the balcony if you wish to dry any clothes or towels.
- DO NOT leave your clothes or personal towels in the bathroom. Casa A.LC cannot be held responsible should they go missing.
- Guests are kindly requested to be decently dressed when entering any communal areas. Please DO NOT leave your room or the bathroom in just a towel or underwear.
- You are responsible to take care of your own personal belongings. Casa A.LC cannot be held responsible should any personal belongings go missing.
- Parking at Casa A.LC is limited. If you arrived by car, please ask house staff about parking. There is only space for 3 cars (parked one behind the other) in the courtyard. It will be your responsibility to discuss parking order and moving cars for departure with the other guests.

- House staff and admin are here to make your stay at Casa A.LC enjoyable. Any disrespect shown towards them WILL NOT be tolerated.

We would like Casa A.LC to have a good atmosphere of kindness and understanding.
